CONFÉRENCE EUROPÉENNE DE L'AVIATION CIVILE

When replying, please quote: EC 9/24.1 — 0658

2 August 2011

Subject: Establishment of the ECAC Network of Training Organisations

Action: Please provide the name(s) of the representative(s) of your appointed training organisation(s) by **16 September 2011**.

Dear Sir/Madam,

Following Directors General discussions in Paris in May (DGCA/136, 17 May 2011) on the basis of the proposals made by the High-Level Group on Training Policy (HLGTP), it was agreed that an ECAC network of training organisations should be established, and the Terms of Reference proposed by the HLGTP for such a network were adopted. A copy of the Terms of Reference is attached for your convenience.

EASA, EUROCONTROL, ENAC (on behalf of the DGAC), EASTI, JAA-TO, ICAO Training Institute, Ukraine (National Aviation University, on behalf of the Ukrainian CAA), the UK CAA and the Turkish Training Centre (on behalf of the Turkish DGCA) have been invited to participate in the network due to their active contribution to the work of the HLGTP.

In addition, it was agreed that the network should be kept open to a wide range of European training organisations, subject to them being nominated by an ECAC Member State and meeting the criteria for membership. In this respect, I have the honour to invite you to appoint any training organisation(s) from your States that you consider meet the conditions for membership of the network as defined in the Terms of Reference. Since the group, to be functional, should not be too big, you are kindly asked to nominate one representative only per training organisation.

As we intend to hold the first meeting of the network on 14 October, I invite you to provide the name of the representative(s) of the appointed training organisation(s) to gcaaw@ecac-ceac.org by **Friday, 16 September 2011**, and to complete the attached nomination form.

Yours faithfully,

Salvatore Sciacchitano
Executive Secretary of ECAC
